

07. Cowboys Of Rock

The world is out of control it needs Rock 'n' Roll
Rock 'n' Roll to survive
see how the perfect life will come true
we know what to do we know how it could be, cause

you aren't born to stay come go our way
you can follow us forever, cause we're the

Cowboys, we are the cowboys of rock
Cowboys, we are the cowboys of rock

guitars, guitars are the key how this life must be
how the paradise becomes real
so, come follow our way don't rest and stay
follow us on our journey

you aren't born to stay come go our way
you can follow us forever, cause we're the

Cowboys, we are the cowboys of rock
Cowboys, we are the cowboys of rock
