

10. Stage On Fire

Here comes your ecstasy your drug for feeling fine
here comes your energy for being back in time
right here, right now

what are you waiting for there's nothing to deny
here is your attitude your ticket to get high
join the game, a burnin' flame cause

**The stage is on fire, come and have no fear
the stage is on fire, with metal in your ear
the stage is on fire, bangin in the light
the stage is on fire, Rock 'n' Roll tonight
tonight**

so feel the drum machine the bass and the guitars
just feel the fuckin noise that get around the bars
get a fuck a drink and rock cause

**The stage is on fire, come and have no fear
the stage is on fire, with metal in your ear
the stage is on fire, bangin in the light
the stage is on fire, Rock 'n' Roll tonight
uahahahahaha, let it buuuuurn**

Solo:

**The stage is on fire, come and have no fear
the stage is on fire, with metal in your ear
the stage is on fire, bangin in the light
the stage is on fire, Rock 'n' Roll tonight
tonight, tonight, tonight**

**The stage is on fire, come and have no fear
the stage is on fire, with metal in your eeeeeaar
the stage is on fire, bangin' in the liiiiight
the stage is on fuckin fire, Rock 'n' Roll allright
tonight**
